§ 5102. Definitions.

For purposes of this chapter the term "child abuse and neglect" means the physical or mental injury, sexual abuse, negligent treatment, or maltreatment of a child under the age of eighteen by a person who is responsible for the child's welfare under circumstances which indicate that the child's health or welfare is harmed or threatened thereby, as determined in accordance with regulations prescribed by the Secretary. Grants or contracts under this subsection may be—

(I) provide for dissemination of information to the general public with respect to the problem of child abuse and neglect and the facilities and prevention and treatment methods available to combat instances of child abuse and neglect; and
